Community Funding Program-Category 1

All applications for funding in Category 1 (level 1 and 2 grant applications) will be assessed against the following criteria.

Project Justification:
- Why is this project important for the City of Gosnells community.
- How do you know the community needs this project to happen?
- Why will this project be a good use of money?

Community Benefit:
- How will the local community benefit from your project?
- How many City of Gosnells community members will directly benefit from this project?
- What will be different after your project is completed?
- How does this project help to build community capacity?

**Planned Approach*:*
- What are the key dates for your project, and what is happening on these key dates?
- Which members of your organisation are assisting to do your project?
- Which tasks need to be completed, who is assigned to each task, and when do they need to do it?
- How much will your project cost, how much will each individual item cost, and have you gathered quotes or estimates for all these costs?
- How will you demonstrate that your project is a success?

Access and Opportunity:
- Which age groups does your project target?
- Which cultural groups does your project target?
- Are the venues you are using for your project accessible to everyone?
- How are you ensuring that anyone can participate in your project?

Coordination:
- Which other community groups have you spoken to about your project?
- How are you working together with other groups to improve your project?
- Which approvals do you need to implement your project? Have you obtained all of these approvals?

Evaluation:
- How will you demonstrate the success of your project?
- How will you measure and report the impact of your project?
- Have you considered things such as:
    - how will you demonstrate that the objectives of the project were met?
    - how will you show that the project represented value for money?
    - how will you know if people were satisfied with the project?
