City presents tribute to Aussie Rock

Get ready to be 'shook all night long' with some of the biggest hits from Australian rock legends AC/DC and Cold Chisel at the free City of Gosnells Rock Revue concert.

Coming up on **Saturday 29 March** from 5pm to 9pm at Centennial Park Amphitheatre in Gosnells, the concert will feature tributes to Cold Chisel performed by Rising Sun, with the Australian AC/DC Experience performing AC/DC's biggest hits.

Rock Revue follows hot on the heels of the City's successful Rock Opera concert held last month at Centennial Pioneer Park, pictured right, which had the crowd captivated.

Concertgoers can pack their own picnic, or purchase food from a variety of food trucks. Rock Revue is an all ages event, however a licensed 18+ bar area will also be available at the event. Photo ID will be required to enter the licensed area and there is strictly no BYO.

Ticket registrations are essential and available from **Friday 7 March**, with a maximum of four tickets per person.

Sponsored by Lotterywest, Rock Revue is a smoke and vape free event. For more information or to register for tickets, head to gosnells.wa.gov.au.

Councillor's Corner

On the afternoon of **Sunday 9 February**, the 2025 Lunar New Year and Lantern Festival Celebration was grandly held at Pioneer Park, sponsored by the City of Gosnells and meticulously organised by the Gosnells Chinese Association. The park's amphitheatre was packed to capacity as residents from various communities gathered to celebrate the Year of the Snake, creating a lively and joyous atmosphere. The celebration featured a variety of captivating cultural performances, offering a sensory feast for the audience.

Special thanks go to all the talented individuals and groups who contributed their performances, making the event truly exceptional. The success of the event would not have been possible without the strong support of community leaders and volunteers.

May 2025 be a year of positivity, solidarity and progress as we continue to build a vibrant and connected community.
