“Vote 1 for MONSOR – Building a Stronger, Safer & Inclusive Sports and Multicultural Community”

I'm a 47-year-old father of two and proud Gosnells resident for 16+ years. I'm a Microsoft-certified IT professional with a master's in information system and 17 years of experience as a Software Test Engineer across WA Government and private sectors.

I currently serve as President of the Thornlie Junior Cricket Club and am a former Community Ambassador for Cricket Australia. My volunteer contributions have been recognised with multiple awards.

Over the past 16 years, I've worked closely with council facilities, sports clubs and multicultural groups, gaining deep insight into our community's needs.

As your Councillor, I'll ensure effective use of ratepayers' funds, host fortnightly mobile offices, launch awareness campaigns on domestic violence prevention and mental health, help build a digitally connected, active and safe community.
