After over a decade serving as your Councillor and former Mayor of the City of Gosnells, I know what it takes to serve our local community.

The City of Gosnells is my home, where I serve as the Chairman of my local school, Canning Vale College, and as a board member of a local aged care facility, Astley Care. From my home in Canning Vale, I run my small businesses, including discount stores and as a finance broker, helping young local families achieve their dream of owning a home.

Seeing other people achieve their dreams is what gets me out of bed every morning. If local families in the City are going to achieve their dreams, we will need:

Strong financial management and the lowest possible rates

Good infrastructure like local roads, parks and facilities delivered for a good price

Safe local neighbourhoods where families can relax and exercise

Effective waste services.

I will continue to serve this community as your representative as long as you give me that honour and privilege.
