I grew up here in the City of Gosnells and now, with my wife, we feel so lucky to live in an area where we can raise our future children. I feel a great sense of pride to call the City of Gosnells home and want to give back to the community that has given me so much. As an educator for over a decade, I've dedicated my career to helping people feel supported, heard and valued. I believe council should be approachable and focused on real outcomes that make everyday life better, whether that's safer streets, vibrant parks, or stronger support for families and local businesses. I've always been someone who listens, works hard and stands up for what's fair. I want to bring that same commitment to council to ensure decisions are made with our community's best interests at heart. The City of Gosnells is growing and together we can make sure it remains a welcoming, inclusive and thriving place to live. I would be honoured to represent you and help build a city we are all proud to call home.
