I grew up in Thornlie, my partner grew up in Beckenham and together we chose to raise our family here in Martin in the beautiful rural part of our city.

I'm a fresh young voice with a vibrant personality, strong communication skills, and I love to connect with people. I am approachable and comfortable engaging with others,

I regularly attend council meetings, to stay connected and informed about issues that matter most to residents

Being a councillor is more than the 'bins and roads' stereotype. It's planning for the future and representing the voice of the community, whether it's more parks or supporting local businesses to list a few. I will always advocate for what is right, fair, and aligned with the community's needs.

I have a vision that the next generation of families just like mine can enjoy the same opportunities, safety, and sense of belonging that I was fortunate to grow up with.

I want to serve, lead, plan for the future and make a difference for the City of Gosnells.
