Vote 1- A trusted, experienced voice for Gosnells

As your **Deputy Mayor** I have a proven record of **listening to** and understanding community needs to champion projects that improve residents' daily lives.

ROAD SAFETY is a top priority, as Chair of MRRG I've secured funding for **safer streets** and **footpaths**. I've strongly advocated for **SPLASH** and a **Community Waste Facility-tip passes** but there is more to do.

With my professional expertise as a **Chartered Accountant** my finance and business skills help to **keep rates low** while delivering projects that matter to **YOU**.

As a long-term resident and local mum, I spend most of my time in the community and understand the importance of **parks, sports grounds** and **community spaces** in supporting a **happy healthy lifestyle**.

As we face housing shortages, shrinking backyards and cost-of-living pressures, strong leadership is essential to improve **safety, protect our environment** and create a connected City where **families, youth, seniors** and **future generations** thrive
