As a Candidate I've called Gosnells home for 49 years, with 28 of those dedicated to serving our community. In doing so, I've had the sincere privilege to witness the incredible contributions our local sporting, multicultural, and charitable groups make. When elected, I will request funding be directed to projects that focus on safe, liveable neighbourhoods without overburdening ratepayers. \* Support existing funding for CCTV and community events that bring our communities together. \* Advocate for development that protects our tree canopy and includes meaningful public open spaces. \* Support the completion of the footpath network to ensure access for seniors, people with disabilities, and mums with prams. \* Advocate for a much needed Community Waste Transfer Facility to limit the need for illegal dumping. \* Support a return to a multi-ward system for fairer community representation. Your vote will shape our city's future, I'd be honoured to earn your support. Vote 1 Fisher Karry
