

### Additional Information

If elected as a Councillor for the City of Gosnells, I will bring the following key background life skills

- \* Demonstrated focus on building resilient, inclusive community through collaboration, innovation, and lived experience.
- \* 28 years of dedicated community service as a Justice of the Peace, with specialised training in Enduring Powers of Attorney and Guardianship workshops, cultural awareness course attendance, and knowledge of legislative interpretation across a range of duties.
- \* Recognised by UWA Agricultural Scientists for hands-on regenerative farming, using Natural Farming techniques to rehabilitate dryland salinity soils, restoring land to sustainable, profitable use and supporting the return of native flora and fauna as a Sandalwood, Australian Native Foods producer and hobby Beekeeper.
- \* 2024 City of Gosnells Neighbour of the Year Special Commendation Recipient, reflecting:
  - a. Deep local engagement as a Certified Earth Carer, establishing a grassroots waste recycling depot and advocating for a community waste transfer facility.
  - b. Little Street Librarian, promoting literacy and connection through free access to books, games, and movies.
  - c. Successful petitioner for the installation of a local Neighbourhood Community Barbecue.
  - d. Successfully advocated for the completion of the local footpath network to improve community access, including access ramp rails along the Windsor Dr foreshore walkway.
- \* Strong environmental advocacy with practical experience in conservation, urban re-greening, and tree canopy protection.
- \* Skilled in cross-cultural communication and accessibility, ensuring all residents feel heard, valued, and represented.
- \* 15 years in Disability Services, supporting residents in group homes and community integration programs.
- \* Active in my churchs Community Services Division, fundraising for church service programs and attending regular religious services attendances.
