Hi, I'm Jon and I call Gosnells home with my beautiful wife Diane and our two sons, Sam and Will.

I'm running to bring lived experience, resilience, and a practical mindset to council. After a serious back injury ended my working career, I dedicated myself to community service and giving back.

Through **Sam's Spares**, our family charity, I've helped deliver 1000's of free refurbished computers to our WA community, building strong skills in grassroots problem-solving. With **Jacaranda House**, we created a community hub that promoted sustainability and social connection, showing that even small, hands-on efforts can make a real impact.

I'm also a keen pistol shooter, a sport that's taught me patience, discipline, and focus, qualities I bring into decision-making.

I believe in upholding strong values: fairness, mateship, hard work and respect for others.

My goal is to use these skills and experiences to strengthen our community, protect our environment, and ensure local voices are always heard.
