Vote1: Promoting a Safer, Stronger, Connected City of Gosnells

I live in Huntingdale with my wife and two young children, and we are proud to call this community home. Having lived in Australia for **20+ years**, with the last decade here, I understand what makes our City of Gosnells unique.

I hold **master's degree** in business and accountancy and work as an Executive Manager in Supply Chain Logistics, as well as a social worker. I build leadership, problem-solving, and accountability skills to bring to council.

As a social sports person and a committee member at **Thornlie Tennis Club**, I value how community groups connect people and strengthen neighbourhoods.

If elected, I will advocate for:

Community & Safety – youth mentoring, crime prevention, mental health.

Environment & Liveability – parklands, waste management.

Growth & Opportunity – local business, redevelopment.

If you resonate with what I stand for, I appreciate your support.
