### LOCAL EMERGENCY MANAGEMENT POLICIES.

The City maintains a [Position Statement – Local Government Responsibilities for Emergency Management](#), which prescribes that the City believes that responsibilities for emergency management should recognise the fundamental differences that exist between metropolitan and regional areas.

### MANAGING RISK

#### EMERGENCIES LIKELY TO OCCUR

The below table identifies the emergencies considered to be the greatest risk to the community.

Hazard	Controlling Agency	HMA	STATE HAZARD PLAN
Road Crash	WA Police Force	Commissioner - WA Police	Crash Emergency (2023)
Heatwave	Dept of Health	State Health Coordinator, Dept of Health	Heatwave (2023)
Storm (includes Cyclone)	DFES	FES Commissioner	Severe Weather (2023)
Fire (Building or Bush Fire)	DFES PWS (DBCA) City of Gosnells	FES Commissioner	Fire (2023)
Air Crash	WA Police Force	Commissioner - WA Police	Crash Emergency (2023)

These arrangements are based on the premise that the Controlling Agency is responsible for the above risks and will develop, test and review appropriate emergency management plans for the hazards they own.
