Councillor's Corner

As we welcome the New Year, I am incredibly proud of the strength and achievements of our community. The City of Gosnells is filled with wonderful people who support one another, welcome newcomers and volunteer their time to make our City a great place to live. In a world that is often busy and fast-paced, connection, care and empathy are more important than ever. Recently, I have been inspired by residents showing kindness, generosity and emotional support when neighbours are facing challenging times. During summer, we are especially thankful to the Gosnells Volunteer Bushfire Brigade, for stepping up to protect our community, and to our State Emergency Service volunteers, who respond to emergencies throughout the year.

Thank you for trusting me to serve our community and represent your voice on Council. The stories, challenges and dreams shared by residents guide my work to ensure our City reflects what our community needs now and in the future. Serving alongside Mayor Teresa Lynes and a refreshed, diverse Council, I look forward to the year ahead as we work together to serve our community and leave a positive legacy for the next generation.

Deputy Mayor Serena Williamson
