# WELCOME

## Mayor's Message

Art has a remarkable ability to bring people together, brighten our days and offer new perspectives on our community.

Each year, the City of Gosnells Community Art Exhibition and Awards provide a wonderful opportunity to celebrate the talent and creativity of both emerging and established artists from our local community and beyond. With a diverse range of categories and a \$10,000 prize pool, there is much to look forward to.

This year, more than 190 artworks are on display, offering something for everyone to enjoy and appreciate. I'm confident you will discover pieces that surprise, inspire and delight.

Whether you've entered an artwork or are visiting to explore the exhibition, thank you for supporting the 2026 City of Gosnells Community Art Exhibition and Awards.

I encourage you to take your time as you experience the exhibition – and don't forget to vote for your favourite piece in the People's Choice Award, open until Sunday 24 May.

# ART OF POETRY PROJECT

## Poetry inspired by the art on display

Artists are inspired to create, but not all art is painted, drawn or sculpted.

As you move around the gallery, you will see poems inspired by the exhibited art, written by authors and poets Barbara Gurney and Sioban Timmer as part of their Art of Poetry Project.

The poems are placed alongside chosen pieces of art to encourage you to pause and look to the heart of the art.

**What was the artist's intention?**

**What does it mean to you?**

**Do the words of the poem  
resonate with what you see  
and feel?**

*It's not what you look at that  
matters, it's what you see*

*- Henry David Thoreau*
